

March 18, 2021

Dear Residents, Families and Staff,

I have been waiting a long time to be able say something like this: I am thrilled to let you know that we have had no positive COVID-19 cases amongst our staff and residents since March 1st!

On March 30th we will be fully out of our surveillance period. That's two additional weeks past having had no new cases for 14 days, which ended on March 16th. At that time, if we have no new cases, then we will reduce testing staff from weekly to once/month. Residents will be tested on an as needed basis only.

We would like to take this time to send a resounding THANK YOU for following our policies and procedures during indoor visitation. We are so glad you are back!

As always, we will update you via e-mail as well as on our website, www.arboracres.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Applegate", is written over a light gray rectangular background.

Andrew Applegate
President/CEO
