

# Arbor Acres COVID 19 Testing and Results\*

	Avg daily total**	Total Tests Administered*	Total Positive Results since start of testing	Positivity Rate*** (total positives/total tests administered)	Total Positive Cases Since the Start of the Testing				Current Active Cases****
					Apartments and Homes	Strickland Place	Arborview	Asbury Place	
Staff <sup>2</sup>	427	10,815	81	0.75%					1
Licensed Residents	160	5783	67	1.16%	10	12	18	25	0
Deaths <sup>1</sup>					2	2	3	0	7

\* As of 4/ 30/2021

\*\* These totals are not updated routinely as they will fluctuate, but provided to provide context

\*\*\*An approximate amount. Testing started in July, 2020

\*\*\*\* Active cases includes those with and without symptoms

<sup>1</sup> Deaths are required to be reported as a COVID death if a resident passes within 12 weeks of receiving a positive result. This does not, however, mean the resident passed away due to COVID

<sup>2</sup>Includes home care staff
