

August 19, 2021

Dear Residents, Families and Staff,

I regret to inform you that we have one staff member in our licensed areas who has tested positive for COVID-19. At this time, we will continue to be under quarantine requirements through August 29, 2021, however this date is subject to change if we continue to have additional positive cases.

We are taking every step as recommended by the local health department to contain the spread.

Precautions we are taking at this time in the licensed areas:

- Visitation in Strickland Place is suspended for the 200, 300 and 400 halls through August 29<sup>th</sup>.
- For all other areas of care family visits will be outdoors only and will be scheduled through Calendly.
- All residents and staff will continue to be tested until the end of the quarantine period.
- Staff in the licensed areas are required to wear full personal protective equipment through the duration of the quarantine.
- The dining rooms and all activities will be suspended through the duration of the quarantine.
- For medical appointments, providers will need to make the decision whether appointments should be rescheduled.

As always, we will update you via e-mail, as well as on our website, [www.arboracres.org](http://www.arboracres.org).

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Applegate", is written over a light gray rectangular background.

Andrew Applegate
