Dear Residents, Families and Staff,

I regret to inform you that we have one staff member in our licensed areas who has tested positive for COVID-19. At this time, no residents need to quarantine.

Precautions we are continuing to take at this time in licensed areas:

- All residents and staff will continue to be tested until the end of the quarantine period.
- Staff will continue to wear N95 masks and face shields

As always, we will keep you updated via e-mail, as well as on our website, www.arboracres.org.

Sincerely,
