

September 2, 2021

Dear Residents, Families and Staff,

I regret to inform you that we have one staff member in our licensed areas who has tested positive for COVID-19. At this time, we will continue to be under quarantine requirements for the 300 and 400 hallways through September 12th, 2021, however this date is subject to change if we continue to have additional positive cases. The date is not being pushed back at this time because the employee who tested positive did not having any resident contact.

For those families with loved ones in the areas under quarantine who would like to schedule a compassionate visit, please reach out to Hannah Rau directly at ext. 1273.

Precautions we are continuing to take at this time for the 300 and 400 hallways only:

- Visitation in Strickland Place is suspended for the 300 and 400 halls through September 12th. Compassionate visits can be scheduled with Hannah Rau.
- All residents and staff will continue to be tested until the end of the quarantine period.
- The dining rooms and all activities will be suspended through the duration of the quarantine.
- For medical appointments, providers will need to make the decision whether appointments should be rescheduled.

As always, we will keep you updated via e-mail, as well as on our website, www.arboracres.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Applegate", is written over a light gray rectangular background.

Andrew Applegate
